Have you heard about that guy who died under a trunk?
A trunk?
They shouldn't be running around in the storm.
Yeah!
Because of the storm,
no one could leave the city.
He should still be here...
in the city.
No one....

Done by Re-chan

What happened?
I...
Oh yeah!
Ugh..
Kiri abandoned me...

Here is...
These flowers...
So familiar...
This room...

Yeah...
Teacher...
It looks like Castle somehow...
Where they trained the Demis.
Ugh..
It seems like I can get out of the bed...
Where am I anyway?
There's a window ....

AH!
Tsunemi! Don't push yourself too much!
This voice...
Could it be...?

Teacher!
Teasmi! Long time no see! Let me have a look at you.
TEACHER!

I have been looking for you....
always.
How come that you are here?
Me?
In order to bring you back to the Castle!

The end of the world.
The end of the west.
Calling could be heard coming
from somewhere.
Kiri & Tomoe's destination is "WEST END".

WEST END Ⅲ

Ah!
The Castle?
Tonami?
Ah.
But,
I made him very very angry!
Teacher .....
I had a master once...

Ugh...
He abandoned me...
Ugh...
Therefore ..
Ugh...
Tsunemi,
you must be very scared.

Ugh..
I came too late.
I'm sorry...
Ugh..
Don't cry...
Ah..
I remember the dream...
Teacher will always hug me gently...
Everytime I had nightmare and cried...
Tomami,
everything is okey..
But...

being abandon by Kiri is not a dream!
Don't cry!
It looks like the storm won't be away for a long time.

It's a security system of some old military in the city.
In order to block the way of their enemies.
The storm is kind of weird.
We won't be able to leave here for a while.
Un.
The Castle sure is powerful!
It will take about 30 hours for the Castle to hook into the system.
But the system kind of went out of control.
You are burning again...

Ah, it seems the medicine is working.
I wanna sleep...
Teasher..
Right now, your health is the most important!
Don't worry! I'm right beside you.
Your glove is so soft, so good..
How come that you know that I'm burning?
Un!
Then I'll just stay like this
Good night, Tsesmi.

Kiri...
Kiri...
Teanami!
Teacher is here!
You hear me?
Teanami!

What?
WA!
1
2
Heh
You suddenly dissapeared. I was looking for you.
You nobly Domie are very important to the Castle, therefore please don't get too far from here.
Yes!

Teacher, are you sure that I'm a noble Demi?
Good! Tsunet, what's wrong?
Yes!
You guys belonge to the humans, that's why you are made.
Well, your black hair is kind of rare.
But it doesn't mean you are the only one!
No, not that...
I seeme different from them.
Eh?
Ah!
It's my body...

I look different here...
Here...
Where?
Tell me.
Oh, because these kids were born before you.
Let me see.
It's okay.
It looks just other's.
But,
I saw them s...

Aahh...
YEAH...
YOU SHOULD REALLY GET SOMETHING NEW.
ARE YOU SELLING OLD STUFF AGAIN?
WHY ISN'T THE STORM OVER YET?
I NEED TO BUY SOMETHING IN THE CITY!
ARGH

Ah!
This part...
Ah!
Stop!
Teacher!
This is weird!
It's okay. It's okay.

WA!
It's getting hard...
But..
Ah!
It's dirty!
Don't lick it...

Ah!
AH!
I feel... so hot!
You feel hot?
I'll help you.
Ugh..

Touch it, Tonami.
Don't close your legs.
Spread more.
Teacher
Hold on.
Something is coming out...
Stop!
!?
What are you doing?
Teacher!

Ah!
Stop!
It hurts!
Teasher!
Ugh..
ah..
ah...
my...
It's so red...
You'll be fine soon!

Have I ever lied to you?
Really?
Don't touch it!
Now you are like everyone else!
If it hurts again. Come to me, I'll make you feel better then this this time.
Yes!
ぴくん

The drug is wearing out...
No! Nothing!
Did you had a nightmare ?
Un!
Do you like to take your druge like this?

Huh?
We'll leave right after you are fine.
Teacher taught me many things.
The Castle is my home... I really miss the Castle....
I don't really want to stay here more...
Let's return to the Castle.
That's why I'm here.
Kiri doesn't want me anymore...
I'm just a useless, worthless Demi after all!

But why do I have to return to the Castle?
There's no point for living anymore...
Don't hate me!
This is just my job.
It's hard to live ya know.
Why are you looking at us this way?

God, it was only something that fell out.
WA!
Fuck you! I'm not a monster!
Those eyes...
filled with hatred and cruelty...
But...

Hey, I think something's in there.
I can't open it.
Eh?
The sky?
I thought so. Because of the storm, the cordination of the laser is kind of out of control.
Where did that trunk fell from?
Someone got killed!
What's wrong?
Who the hell are you?
b-BB!

He escaped...
He stole my thing!
ARGH! I'm getting so frustrated!
HOW COULD HE?
!!
Well well...
Guess I must take back the thing he took from me!

Tonami?
Tonami!
I dreamed again...

Hey! I was the one who found it first!
Flowers ?!??
Don't you dare to take it from me!
Location settled. It will be shipped back to....
the castle.

Here's those triplets head you want!
Look!

Didn't you use a knife? Is you knife blunt or something?
I had some problems with cutting the first one, so it looks kind of bad.
GOD!
Shut up! You should be happy that I bought the beads back to you!
Ahh!
You are here often, aren't you?
Yup.

You know about the storm for a long time ago right? Bastard!
THEN WHY DO YOU RAISE THE PRICES EVERYDAY?
I don't mind if the storm last longer. I have enough food for sale!

What the fuck am I doing?

I was the one who abandoned him!
That man...

Weird clothes and bizarre purple eyes....
He looks so familiar...
Why am I so worry?
Thank you!
Did you heard about that strong guy? No one knows how he looks like!
Guess they all died!

Game over or Continue...

WEST END

I know the reason why you are crying.
I don't know how to stop your tears...
I'll do whatever for you!
Tsuami, you are everything for me!
I'm here because you are here.

But I'm just a Doni that nobody wants...
Not at all!
You are you.
I'm the one who raised you.
I know everything.
My Tonami...
Why do I have to return to the Castle?
I have brought your favorite tea from the Castle to you.
Teacher!

Ah, I know why.
Because I have been embarrassing the Castle right?
Therefore they want me back to train me again?
I... can't tell you...
Eh?
But...
The Castle won't ever make a wrong decision.
You'll get your answer when you return.
Yes!

Tosami, don't cry.
Trust me. Okey?
Yes!
Of course I trust you...
The place where I was made.
But...
I know the world is not just the Castle now...
It's a happy place...
The world outside the Castle is really hard and painful...

But Kiri is there...
Therefore...
Leaving that world means...
leaving Kiri...

Must stay here to heal him.
We can't return to the Castle now.
His temperature and pulse are not steady yet.
Maybe I can find something to transfere Tonami to a place where the storm is not that big?
The one who's going to the West will block our way!
If I do that, the human will discover this place!
No!

Why will he block our way anyway?
If so, there won't even be 70% chance to get Tonami back to the Castle.
This is not important. Besides, I don't even want to know why.
How a the chance for getting Tonami back to the Castle safe now?
About three days?
We'll stay here to heal Tonami up.
I think so!
There's no need to think about that now.

10.2%...
Why so low?
"Must follow the order"
Bring Tennel, back to the Castle.
Get rid of everything that's on our way!

That human, should be happy that he's still alive!
Although he abandoned Tonami...
Tonami is crying all because of him!
Kiri is not a barrier anymore.
Don't need to get rid of him anymore...
What am I thinking about?
I should have bought the tea to Tonami at once!
Ah, it's getting cold...

It taste good!
This is all for my Tenant...
This is a whole different place to compare with the center!
It's called the South quarter.
Before the change of the world, they buried lots of dangerous stuff here. Therefore people won't usually go here.

WEST
END

Compare with the desert, this is a nice place.
Besides, you'll find lots of assassins here.
If you continue to walk against the North, you'll see nothing then pieces of factories.
Hm.. lot's of strong people in this world.
You'll never manage to kill them all.
Who threw a Domi here?
It's almost melted now.
How disgusting!
Hm..?
Enough talking!
Shut up! I'll fulfil my job!
Ah!

Why did they arrest Dennis?
They are too weak...
If they die, even their bones will be melting away...
As for a Demi, they can't live without humans.
And why am I still looking for him?
Kirt, is your weapon a knife?
Yeah!
No. It's just there has been some weird murder cases.They were all killed in a very special way. So I thought maybe it was you.
I don't have to use it...
What would you like me to use?

Although the trunk was empty. Wonder where that trunk came from.
They were killed by a trunk.
They were all smashed into pieces.
Although they were 2 or 3 of them.
Killed in a sudden.
What's the matter, Kiri?
Do you think it was fun?
Why are you smiling?
Tell me where the place is!
That was a great news.

About 15-2 road.
Where those ruined factories are.
It's morning soon.
The storm has stopped.
I'm such an idiot!
I am still thinking about Kiri...

Tenami,
Even if the storm never stopped...
Even if the storm didn't stopped. And we didn't left. I won't ever meet Kiri again ..
we're leaving!
Teacher.
Ah!
Teacher .....

Teacher! I'm fine. You don't need to carry me around.
Then let's go!
Okey!
I can smell ...
the dry soil here...
something that belongs to this world...
something I smelled when I was with Kiri...

Hey!

Greetings!
I finally found this place. Although it took some time.
Yo!
Where are you from?
I'm here for bringing Tonami back!

although it took some time.
I finally found this place,
What did Kiri just said?
He was looking for me?
I'm here for bringing Tenami back!
To bring me back?
Ah!
You said bring Tenami back?

I know everything with Tonami!
Teacher you knew Kiri?
'Follow the order!'
Get rid of everything that blocks our way!
You were the one who abandoned Tonami, Kiri!
If you didn't come, I would have spared your life!
Why did you chase after me?
So, you are Teacher? The one who raised him?
WHAT? You were the one who started the fight. And you were the one who escaped!

Is this knife good?
It's one of the best knife you can find here!
Of course!
I don't like it!
It looks totally different!
You have seen all knifes I got in the store.
What kind of knife are you looking after?

Then I'll take him along with me.
First, I'll make you pay for what you did to me.
What?
You were the one who didn't want Tsuyomi!
It was kind of difficult to do the housework without him.
Although I was the one who didn't want him. But that doesn't mean I want to give him away!

Come, Tenmi!
He belongs to me!
I belongs to Kiri?!!
I can stay with Kiri!
I'm his!!!
KIRI!!

That gaze...
It seems you are serious this time!
Stop day-dreaming!
I won't give Tonami to you!
Ah...
Harry up and hide yourself in that building over there!
Tonami! Get away from here!
Hm. I have always wanted to kill you!

TEACHER!
KIRI!
Teacher doesn't know how strong Kiri is!
Teacher...
What?
So fast?!!

!!
No humans can ever use 100% of their strength.
Strength that doesn't belongs to human.
Besides...
But that's no use to me!
Ah...
KIRI!

あっ
His neck...
TEACHER!!

Your weapon is useless against me! You can't even tore my clothes!
!?
My back!
How's that possible ...?
I have been searching for Tenami for a very long time. When I found him, you was with him.
Therefore I know all about you. Include your not dying body!

UGH!
There's only one way to stop you!
Ah!
To dig out the heart?
TEACHER...
I don't want to let Tommi see this.
He's been crying because of you everday!

No matter what I said.
He didn't stop crying....
You'll never manage that!
!

His eyes!
Your reborn ability is great. But your endure ability is better.
The bones in your back should be broken. And your viscera should be cracked!
But it hurts like hell!
Can you understand my pain?
Then can you understand the pain of Tsumi?
7

You have your own factory right?
What?
But even so, it's impossible.
My knife!
What?
You going to make your own knife?
Why being so stubborn?
It's okey. I'll make it by myself!
There's no way you will find any materials in this I this kind of weather!

I don't have pain in my program. Therefore I can't understand you.
I'll kill you!

What?
!?
Is the light his weapon?
So you hide your weapon under your glove?
What?
He cut the wall into pieces so easily...
What the hell was that?
What is Teacher ....

Wrong!
ヒラ
Which is my hand.
The glove can only strengthen the power.

Yeah! He knew I was buring when he had his gloves on
As for the light, it comes from my body!
KIRI!!

In order to bring Tasumi back to the Castle, I must get rid of everything that blocks our way!
Ah!
This is an order from the Castle!
STOP!

It will soon be over!
NO!
Tonami!
Get away from him!
NO!
You know that he won't die!
TEACHER! PLEASE DON'T HURT HIRI ANYMORE!
I SAID PLEASE DON'T HURT HIM ANY MORE!

I know he won't die. But I can't control myself!
When I see him getting hurt, I will be sad. When I see him bleed, I will feel his pain
Because Kiri is my master!
Come, Tenami...
And I belongs to Kiri!
Don't cry, Tenami.
Because I don't know how to stop your tears...

Oh no! Because of my last attack...
Tmmm!

That light was from Teacher...
Yeah!

KIRI!
You came out here even you know that you are powerless!
Now that I have to save you too...
One question to you.
Why did you save Tonami?
Even if he's taken by you.
I can't just stand here and see that he's getting smashed into pieces!

I can't even remember how many people I killed with it...
I can't remember where I bought it...
The knife I lost...
Well...
I just remember the feelings when I was holding it...
All I could see was...
The color of red.

Your arm..?
TEACHER!
God! Why can human be so stubborn?
I don't have the reborn ability like you. Therefore my arm is worthless now. But my clothes is okey.
Eh?
Guess I have to change my arm.
It seems I can't bring Tsuna back to the Castle in a situation like this.

Yeah. You could say so. Most of my body is made.
are a robot?
You... Teacher?
Yes!
Files?
I have a small program in my brain.
Where the files are put into.
I was created by the Castle.

What about the Teacher in the Castle?
That's why I know everything about you.
I'm a copy of him.
But you know so many things that only me and the real Teacher knows!
So disgusting!
There's only Domis and robots in the Castle?
What?
In other words, I'm Teacher with combat skills.

Sorry.
I feel like I have been lying to you all the time...
Your movements are getting slower. You are a robot after all!
But thanks for taking care of Tonami meanwhile!
We are not like those robot you are talking about!
No!
I don't have that kind of feelings.
Do you feel the pain?
Teacher..
you are everything to me,
trust me!
No matter who I am,

Ah
You still call me Teacher.
Thank you!
I will come to you again someday.
Report to the Castle.
The storm has stopped now.
About the Demi Tenemi, although I met him, but
a human took him away from me.

I couldn't stop his tears...
Tears!
Why did I let Tenami go?
Because ..
Why?
Your new mission: Continue to spy Tenami and the human
Under-stand!
About the energy, only 97% energy left
Need to fix my arm. Please let me return first.

Tonami!

We haven't been doing this for a long time! Don't stop crying!

Ah!

Ah!

Ah!

Yo!

Did you and that guy xxx?

Of course not!

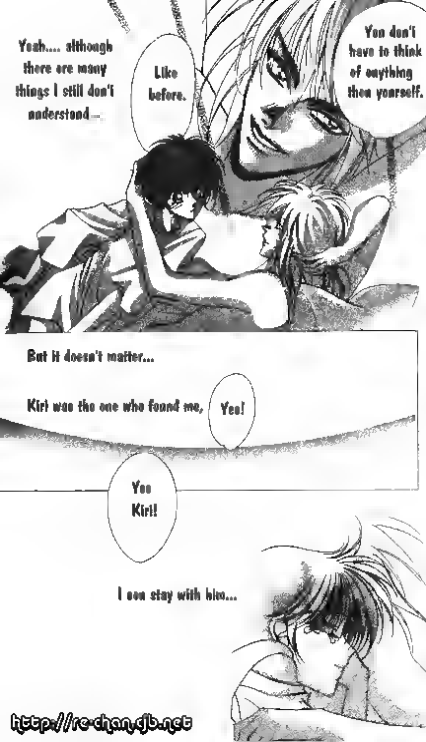
Is Kiri jealous?
Ah!
hu!
AH!
Hm!
This can't be...
Or could it..?
I'm here to bring Tsumi back!
Don't push yourself too hard Kiri.
Shut up!
Eh?
My back hurts...

Eh?
Un!
Un!
Ah!
Hah!
Ah!
AH!
AH!
Ki..
Kiri!

Ugh!
Ah!
That knife ...
Yeah.
It's a new knife. It's pretty good to use.
It's your knife.

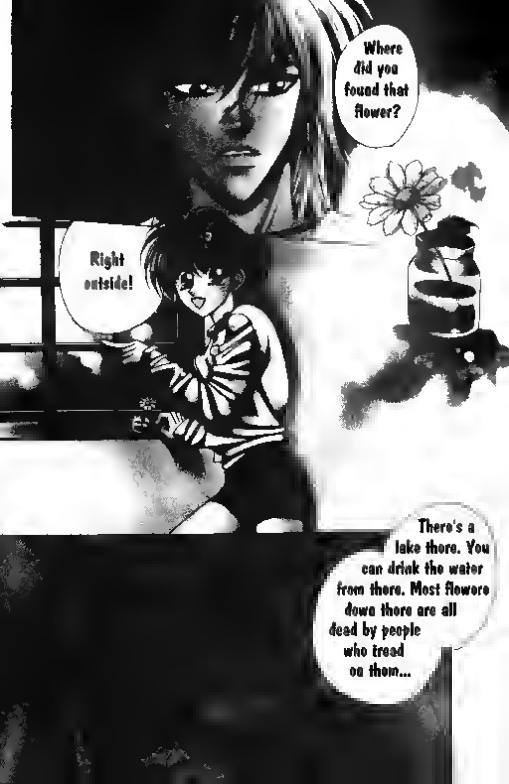
This has nothing to do with Tonami.
He's my Demi!
How dare him to take my thing from me!?
I must go to the West!
I don't have time to play games any more!
Hey, you're bleeding!
What's wrong with you?
WA!

But..
He said he will come back to me again...
Lucky!
If I stay with you, you will be in danger!
I don't want to put Kiri in a danger...
In other words. If you stay with me, I can fight with him again!
There's very few people who can fight against me. I don't care if he's a robot or what!



Yeah.... although there are many things I still don't understand...
Like before.
You don't have to think of anything then yourself.
But it doesn't matter...
Kiri was the one who found me,
Yes!
Yes Kiri!
I can stay with him...

http://re-chan.gb.net



Where did you found that flower?
Right outside!
There's a lake there. You can drink the water from there. Most flowers down there are all dead by people who tread on them...

I felt pity, so I brought it home with me.
Why do you feel pity?
Because people tread on them?
They'll die sooner or later anyway.
Even so, they can still have a hope before they die....
Yeah.
Kiri that murderer, he's there!

Damn you! You actually killed 5 of my brothers. And how dare you to fuck around at my territory!
You want revenge?
Heh!
It's not in anymore.
KIRI!
Tenami, go and hide yourself!
DON'T HINDER ME!

Ah!
I caught Kiri's Domi!
How many brothers de yee heve?
Well done, brother!
Tsunmi?

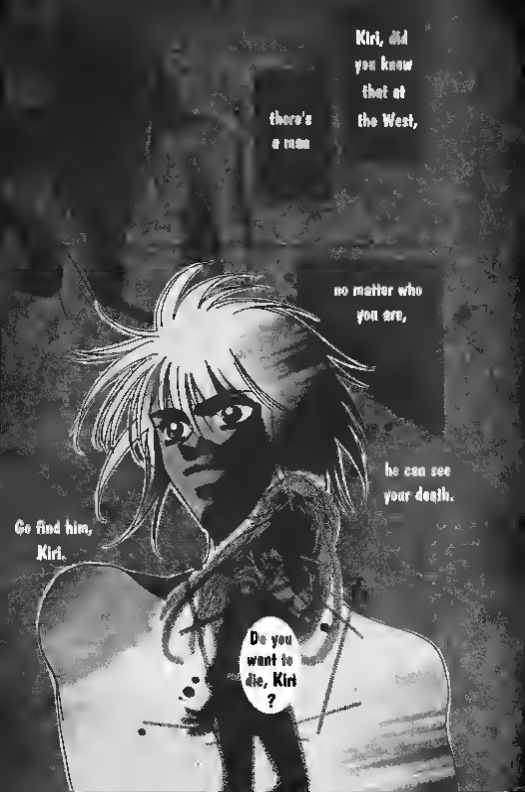
Now that we have your Demi as a hostage, you can't fight back!
If I become Kiri's hinder....
Ah?
You can't use a Demi as a hostage!
Damn.
If you don't want him dead, don't move!

This Domi want to commit
suicidal!
If Kiri gets hurt because of me...

Don't make more trouble to me everytime okey?
Sorry!

!
Let's get away from this fucking place!
In this world...
Un!
at least you can hope to stay alive...

Has Kiri got the knife from the man?
Three days have past. The storm hasn't stopped yet...
Does Kiri likes his new knife?
Maybe Kiri threw the knife away?
Maybe he doesn't like it because it was bought with my money...



Kiri, did you know that at the West,
there's a man
no matter who you are,
he can see your death.
Go find him, Kiri.
Do you want to die, Kiri?

Therefore I deserved to be thrown away!
For Kiri, I'm nothing than a burden...
I brought you some tea.
Tonami...
Eh?

lick
Ah!
This is weird...
I didn't want to cry...
Being abanden by our master is not something new for us...
There's even someone out there who's having a harder time than us...
I should feel lucky that I'm still alive.
And I even met you.....

I've always wanted to meet Teacher you again...
Me too...
Teacher is always so nice and gentle to me...
I feel so happy ..
Toaumi,
Having you here with me is one of the happiest thing to me!
But...
I can't control my tears...
Can't see him ever again...
Toaumi, don't cry...
I don't know what to do...

Ah!
Tonami!
Why do you look more sad more unhappy?
Who would want a Domi like you?
I won't be unhappy. I only feel bad because I'm so happy now....
because I'm with Kiri now...
Yeah!
You are right!
Sorry....

No problem!
I want to have a femal Demi with no hair.
Ah!
We have increased the Demis.
This is the bar owner's Demi, please take care of their bodyguard.
Okey?
Yes!
Be careful!
Demi's are importaet to oe!
Yesterday three people got killed.

This time, we have 10 orders!
I never expect the business to go so well.
Are you ready?
Anytime.
Thanks to you that our trade goes so well.
I wish you could stay here with us forever!

Before I find that person, I'll stay with you.
I want to meet that person again...
I'm looking for a person.
Oh...
lover?
Maybe!
But many customer really like this room.
Demis from the Castle sure is expensive...

He sure is beautiful..
That's a Demi, idiot!
You can try to image him crying and begging...
Some people only need a picture to get satisfied.
Demis from the Castle has a high value.
Really?
If we get him,
Bad feeling...
I'm sure we'll get a very high price for him!

I knew it!
Why don't you use your brain a little more?
Why don't you go and kidnap him right away?
Okey?
He looks like a hoodlum or a killer?
Who cares? As long as I'm happy! See, you even got his master with the picture.
I think they were looking for a place to stay.

I'll fix this today!
Nope.
Tomorrow?

Have to call Kiri for dinner.
The dinner will be ready soon.
Kiri.
Kiri?
Dinner is ready!

This man, is my master...
He noticed me.
ドキドキ
Come up here, Tomami!
Hope he didn't noticed that I was staring at him....?
This place is very alike the place I was borned.

He's actually talking about himself.
Eh,
did you lived on the street?
I don't remember.
Are your hometown far away?
Many babies was thrown away like me.
Sorry!
I was left by the trash cae when I was bore.
A nice men picked me ep and raised me.
Why do you apologize? It happens everyday.

WEST END

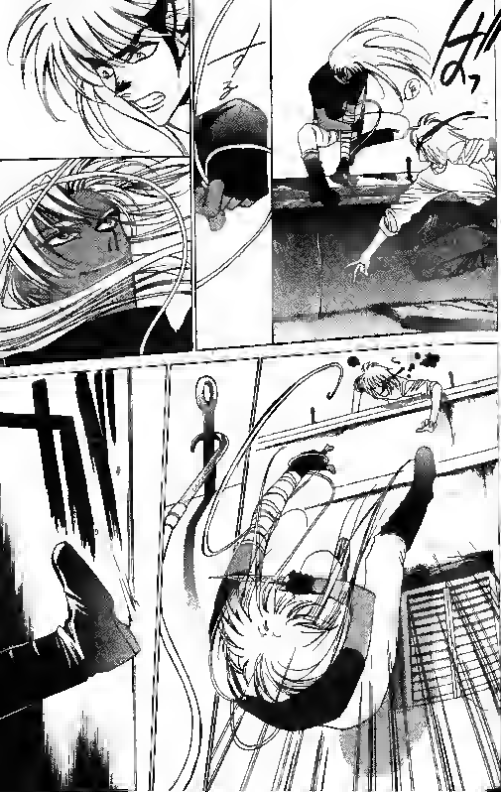
Many babies like me died.
But I didn't.
But you can't die?
I was like everyone else at that time.
Only that my wound heals faster.
After a while, I ran away from home.
I joined a gang.
And I think we was locked in a warehouse and...
They ate me.
EH?
My flesh taste better.

Don't wanna eat.
But today's dinner is biff...
Wait,
It was then I found out that I can't die, while those bastard all died.
How can Kiri be so calm? It sounds like he's talking about someone else,
not about himself.
It was...
Eh?
It was about that time I started to use knife.

When I was wandering around alone, I met a freind.
He taught me...
How to fight with a knife.

Spare this story for me, Kiri!
Does Kiri know this man?
AH...
Tonami!

!
Ugh..



Tsuuu?

Ugh..
ugh..
Ugh..
If your face get screwed up, you won't worth a thing! Now spread your leg!
Un..
Ugh..
Wanna have a try?

There's only one thing in this world I'm...
Interested.
Are the pictures finished?
Let me see!
I have no interest in Domin.
You can join us if you want.
I'm sure you'll have fun!

Spread your legs more!
Hurry up and take some picture of his face!
I finally saw him...
It's getting close.
AH..

WEST
END

Kiri!
Was that your master's name? I'm sure he treats you very nice!
Demis from the Castle sure is great!
No. Hurry up!
Should we tape his mouth?
We've got many lovely pictures now!
Wanna take more picture of his back?

Take some, just in case you won't melt.

Aren't you gonna take it?

Aren't you afraid to melt?

!

You changed your mind?

Wait, we'll give him the drugs first

Eh?

My name.

I haven't changed my mind.

Ah..
Didn't I told you that I was looking for someone?
It's about time to say goodbye!
Aaah..
So tired..

It seems,
the usual way to take the drug won't help...
You seems very tired too.
!!
Don't you want to see Kiri again?
I've heard that's the fastest way for a drug to effect.
NO!

Hope this will... help..
Um..
ugh..
More deeper ....
Please ...
Hope this.. really will help ....
You seem totally different from before.

I would rather die if I...
betray Kiri or that I can never see him again....
You really love Kiri that much?
You do really love him.
Un...
As for a Demi,
I...
can't say such things...
Ah!
I think you just gave me an answer.
Why can't I say that...?

Me too...
I would rather die if I can't see him.
Therefore I have been looking for him.
It's okay.
Ah...
He's the reason why I'm still alive.
After my sister died.
He was my only friend.

Only him!
It seems you got the drug in time.
Your name is Tonami right?
Yes!
Yes. Thank you very much!

You're very clever.
You sure are curious.
Sorry! Because...
Do you know Kiri?
Tosa.
You are...
I want to know avarythiag about Kiri....
Okey, Tonami...

but you have to tell me how he 'touchua' you....
I'll tell you whatever you want to know,
Eh?
He starts with kissing you right?
And then..?
Will he lick you?
Sometimes...
I can't hold on then release myself...

A place to work, sleep, eat, what's the most important now?
Eat!
Even so,
we must find a place to sleep....
It would be hard to find a nice hotel for you since you have a Donut with you...

Very like him.
Only thinks about yourself.
Don't worry...

Are you hungry? What do you want to eat?
You're awake? Tonami.
You seems like you're in pain...
Heh. Demie are are good with study people...
I was just thinking about my sister Lisa

But you only have to take 1 in a day,
it works quite good!
Aren't you afraid to end up like him?
God, it stinks!
This scent stinks like hell.
If your clothes touch it, you won't be able to wash away that scent!
Get it away!
A Demi that ran out of drug...

That's it!
When I die, I'll be the same as him...
So, what now?
Wanna buy a bottle?
The rotten stink....
never fades away....

If you are afraid, then don't look!
Ah!
How am I suppose to buy things from you when you stink like hell?
In order to get more customer, he actually killed a Demi.
Eh?
Che, you'll be depressed for a long time again after seeing something like that.
"sound of taking photos"

Why does he take picture of us?
What was that?
My eyes....
If your eyes got blinded, then he was taking picture of you!
Ek?

You are made in the Castle right? I'm sure you'll be popular!

This is going to be fun!

I'm their target...
Too bad we can't afford for one.
Be careful!
I get scared...
After seeing how the same kind as me died,
